Commodore's Corner

I hate to state the obvious in my first Lee Sheet article, however stating that these are exciting times for the Biloxi Yacht Club is the truth. The plans for the new Club facility are ready and construction bid requests have been sent out. These bids should be received by the middle of the month and hopefully construction will start in the near future. By building this new club, we are setting the stage for the future of the Biloxi Yacht Club. This new facility is not just for us but for future generations. We cannot let this opportunity pass us by.

The new Club is for the future, but we also need to concentrate on the present. This Club has always had a host of volunteers which has made our Club unique. We need your participation now more than ever. The only way to enjoy the Club is to participate. We will be organizing various committees in the next few weeks, so if you would like to serve, please let me know. There will be committee sign up sheets posted in the Club for your convenience. There will also be a sheet for members to make suggestions regarding events, activities, or menu items. So, please give us your input. Additionally, as we begin construction on our new Club facility the initiation fee will rise. So, please get our and recruit new members now.

Thanks to Jim Graham, our past Commodore, for his assistance and your Board of Directors for their diligent efforts and thank you for electing me as you Commodore for 2008. I look forward to serving you.

Commodore Robert Smith

A word of Thanks

The BYC Christmas Party was held on Sunday, December 16th and was thoroughly enjoyed by all who attended. The food was great and the Dirty Santa presents were a blast. Special thanks go out to Col. Tommy Ardoline for being Santa for the kids and some ladies - Thanks Tommy. Also, a special thanks to Linda Gary who supplied gifts which were raffled off and the money raised was used to supply Christmas presents to a five year old girl who would not have had Christmas gifts without our help. Thanks to Linda and all who donated. Remember your volunteering to help and participation in club events are what make our club worthwhile.
