JULY 2007

Wow, what a great month May has been at the BYC. There are so many exciting things going on that it is hard to know where to start, but I guess I'll just pick one to start with and get on with telling you about it.

As usual I will start off with the news on the new club first. It is great news that the Planning & Zoning Commission unanimously approved conditional use permit for a yacht club on the new property. They also approved all of the variances we requested for the new club house and grounds. Now these requests will be sent to the Biloxi City Council for final approval. Again I offer special thanks to Buzzy Bolton for helping guide us through these rocks and shoals to get us to this point.

Next are congratulations to our sailing team for an excellent showing at the Chapman Regatta. Keep up the good work. I also attended the Annual meeting of the Mississippi Coast Yachting Association (MCYA) to represent our club. More on the sailing front is the Summer Sail Program. Sailing Master Steve Wagner and his staff are busy teaching our youth about sailing. The 1st and 2nd camps have been a great success. There are a few openings left in the last session so give Ann a call in the office and get registered before it is too late. One more bit of sail program news is the return of Wednesday Night racing at the BYC. Special thanks to Jeffery Ellis for taking this task on and getting the ball rolling.

Again more good news is the completion of the temporary pool. We now have a cool pool for everyone to come and enjoy this summer. So bring your bathing suits and water wings and enjoy the new pool. Thanks to Ronnie Tootle and his pool committee for bringing all of this together. Along with the new pool will come new club hours for the summer. The club will now open from 11:00 AM till 8:00 PM on Saturdays and from 12:00 PM till 6:00 PM on Sundays. We are also bringing back those wonderful Chili Dogs that everyone enjoyed for lunch on Saturday and Sunday. We also have pizzas available for lunch on the weekends and for anytime at the bar when the kitchen is closed. Also the House Committee and Chef Matt are rolling out a new menu for the club kitchen.

For those of us who missed the Father's Day Lobster feast, we missed a great dinner. I know that there was no new record set with the number of lobsters served but with over 50 people ordering dinners we had a great success.

More kudos' for Kim Kirkman and his Marina Committee, we now have power to the pier and the bathrooms are almost finished. I know it felt like it was never going to come but with all of the hard work from Tim and his crew we are seeing the light at the end of the tunnel.

As I have said before the Board & Flag Officers will continue to push forward with new items and getting projects completed. We have had a great first five months of the year with lots of activities and there are more things to come. I again invite everyone to come to the best double wide on the coast and be a part of the exciting things at the Biloxi Yacht Club.

Notes from Club Members:

Club Historian Otto Larsen announces that the most recent edition of "Yacht Clubs of America" lists Biloxi Yacht Club as 3rd oldest in the country.

The five oldest are:

- 1839 Detroit Boat Club
- 1847 Mobile Yacht Club
- 1848 Biloxi Yacht Club
- 1849 Southern Yacht Club
- 1850 Springfield Yacht & Canoe Club

Tommy Munro donated our weather vane. He found the schooner in New Orleans. He was then kind enough to customize it for us. The sails read "BYC" and the schooner is named after one belonging to the family of Victor Mavar. Tommy especially thanks J. O. Collins, Inc. for donating their talents to the installation.
