Commodore's Corner

We will start off with the news on the new club first. The public notice has finally gone out for our conditional use permit hearing for the new property. As most of you know the sale of the new property has been conditional on our obtaining a special use permit from the city for building a yacht club on the new property. This was a safe guard that we put in the contract to protect ourselves in case there was a problem with our building a new club on the new property.

Next are congratulations to our sailing team for an excellent showing at the GYA Opening Regatta. We placed a very respectable 6th overall out of 18 clubs. Keep up the good work.

For those of us who missed it, the Mother's Day Brunch was a great success! With a lot of hard work by House Committee Chair Mitch Parker and Chef Matt we had a grand turnout and wonderful food and fun was had by all that attended.

Wasn't the Memorial Day BYC Trailer Trash Crawfish Boil a blast? Thanks to all that helped with the boiling, the games, the burgers, the music and the special "Trailer Trash Punch". Linda, Vicky, and Jennifer you guys are the greatest. The entertainment committee has some exciting things coming up so pay attention to the Lee Sheet and notices posted throughout the club for more information.

BYC Marina News

There are now 22 slips open at the BYC Marina, 21 are occupied and one small-boat slip remains for rent. There is water accessible at the pier and electricity has been turned on to the gate house. I have ordered power pedestals which should arrive any day. The new pedestals will include water faucets, hose hangers, and digital electric meters.

A covered pavilion with restrooms and a storage area are planned for completion in mid summer with fellow club member Mario Sapet leading that project.

I encourage any member who still wants a slip to stop by the club office and fill out an application (the bar has them too). Remember when slips become available, we go in order as to when a members name is placed on the list!!!

As usual, volunteer help is always appreciated! If you can spare some time, call me at 228-669-0092 and help us work to reach our goals with the BYC Marina.

Happy Boating!!!!
