Commodore's Corner

A few items of thanks for folks:

First is to Tommy Monroe for the antique schooner weather vane that he found in New Orleans and has had installed on the club house and to Doug Bloome who installed the BYC lettering on the weather vane. Second is to Alan Taylor and the group who donated money for the purchase the new ceiling fans for the deck and to Otto Larson for installing the fans. Third is to Keith King over at Ocean Marine for helping unload the new Flying Scots. Fourth to Wendell Lee and his crew for getting the power pulled under the road to the pier and to Tim Kirkman, Jim O'Neal, Mario Sapet and Mitch Parker for getting the power meter, transformer and disconnect installed so that we can get electricity out to the slips and to work the lifts for the new Flying Scots. Fifth is to Ron Tootle and the pool committee for pulling together all of the information for getting us a pool installed for this summer. Sixth is to David Andrews for bringing his tractor over to do some grading around the grounds to help with drainage. Last but not least is to Ralph Pringle and his crew for all the hard work at the Membership Appreciation Crawfish Boil.

Club Happenings!!

Sailing Activities – Congratulations to our Capdeville team for their continued great showings. We have several more regattas coming up and One Design Committee Chair Jeremy Richmond is looking for more folks to participate. Don't forget that you can participate in the open classes.

Club Building – The New Club Building Committee is continuing to move forward and getting things started for the construction of a new club house.

Happy Hour – Lisa continues to expand her drink specials during Happy Hour and invites everyone to come join her. We have also added draft beer to our bar with some great brews for your drinking pleasure.

New Kitchen Equipment – The new galley is complete and Chef Matt has expanded his menu for us. There are new lunch specials and remember that Chef Matt is serving dinners on Wednesday and Friday nights.

Pool – The pool committee has finalized its proposal and has had it approved by the board at the April meeting. The pool will be installed for our use this summer before the new pool can be constructed on the new property.

We have had a great 1st third of the year with lots of activities and there are more things to come. I again invite everyone to come to the best double wide on the coast and be a part of the exciting things at the Biloxi Yacht Club.

Jim Graham

BYC TRAILER TRASH CRAWFISH BASH

SUNDAY, MAY 27TH 1PM UNTIL

Crawfish, Live Music on the Deck,
lots of Fun, with Games too!!!

Chapman Regatta Sailors Needed

The Chapman Team Racing Regatta will be held on June 2nd and 3rd at the Long Beach Yacht Club. Biloxi will be bringing three Flying Scots to sail. There will be four races, two on Saturday and two on Sunday, we need 3 crew members per boat per race, 9 people per race. Please contact Jeremy Richmond if you are interested in sailing.

BYC Sail Camp

The Biloxi Yacht Club is pleased to announce that Junior Sailing Lessons will begin on June 4th. There will be 4 two week sessions taught in Flying Scots, Sunfish and Optimist Dinghies.

Captain Stephen Wagner has been hired to head this year's Sailing Lessons. Stephen is the former Sailing Director for the Gulfport Yacht Club, he coached sailors in the 2003 Special Olympics in Dublin Ireland and he was the Sailing Manager for the Mississippi Sound Historical Museum.

The Sailing Lessons are opened first to BYC dependents (children and grandchildren) ages 10 to 18. If there are any remaining spots then the Lessons will be opened to the public. All participants must be able to swim and must provide their own life jackets (which will be worn at all times regardless of age).

Further information, including a registration form, can be found on the clubs website (<http://www.biloxiyc.org>).
